## THERRA IGT

### WINEMAKING

Maceration on the skins for 18 days; alcoholic fermentation at controlled temperature in stainless steel basins; malolactic fermentation in barriques.

---

### REFINEMENT

Ageing in 225 litre barriques for 10 months, in cement vats for 6 months and 12 months in bottle.

---

### TASTING NOTES

Therra has a ruby red color with dark purple and almost black hues. Hints of wild berries and blueberries with smoked and toasted final notes. To the palate is exuberant with lively tannins and intense fruit, very persistent.
